**GET INVOLVED**

"There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; there are different workings but the same God who produces all of them in everyone. To each individual the manifestation of the Spirit is given for some benefit." (1 Cor 12: 4-7)

"These words of St. Paul are still true today. The Catholic Church provides the compassion of Christ in countless ways in the United States, including through health care institutions, schools and universities, charities and social service agencies and the work of individuals, parish communities and diocesan entities."

St. Juliana's (Patron Saint of sickness) is a list of the people we are currently praying for because of illness or in the military. To stay current, names on the illness list will remain for four weeks. The military list will remain until we are notified. Please call the office (842-3520) to request continued prayers. To preserve the dignity and privacy of individuals, we ask that only an immediate family member call to request publication of names. We will presume they have permission from the individual to do so. Thank you for your understanding.

## CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

*Collection dates: September 24-25, 2016*

Dear Brothers and Sisters in Christ,

The **Catholic Campaign for Human Development** (CCHD) works to be a voice of hope for those on the margins of society who experience the realities of living in poverty. CCHD supports programs to heal the wounds of crime and violence, advocate for more just policies, protect God's creation, and develop strong communities. Your donation to CCHD will help build a society where all have a voice and all know their inherent dignity.

One program supported by a grant from CCHD works to give young people a chance to make better choices. Often, when juveniles are arrested their record follows them their whole lives, decreasing their chances of finding gainful employment and increasing their chances of reoffending. Together with the Catholic bishops, groups like the Direct Action and Research Training Center (DART) in Miami are working to reduce the number of juvenile arrests, giving children a real chance at success. Thanks to a strategic national grant from CCHD, DART is working with school and law enforcement officials to decrease the number of school-based arrests and promote alternative, constructive interventions that give children a second chance at their future. Because of their work, school systems are now able to implement restorative justice practices affecting over 65,000 students and resulting in a decrease in suspensions and arrests.

This collection is the primary source of funding for CCHD's many anti-poverty education programs and grants, like the one that supports DART. Funding from the collection offers new hope every year to those living in poverty throughout the United States. And remember, 25% of the collection's proceeds stay here in our diocese to fight poverty in our communities and defend the dignity of our neighbors. **Last year, \$55,000 in grants were provided for needs in our diocese.** Help us defend human dignity and show Christ's charity to those in need.

Sincerely in the love of Christ,

*+ Robert D. Gruss*
